

AD Members,

The [MySwimmingTimes](#) mobile app for Android phones has now **ADDED** the **ADIRONDACK SWIMMING** Gold Cut time standards! The initial interest level for this app since it debuted a couple of weeks ago has been very high for USA Swimming parents (over 600 downloads already). The app is **FREE** and available in the [Android Market](#).

### **MY REQUEST**

I would appreciate it if you could you please **share this information with your member clubs** to raise awareness with the USA Swimming parents in your member clubs.

If you have any questions or concerns, please let me know. If you click on the links above, you will be able to see some additional information about the application including screenshots, customer ratings, and a quick video of the application in action. Additionally, I am always interested in feedback on how to continually improve this mobile app.

Thanks in advance for your support!

Dan Thomas

(USA Swimming parent in Iowa and developer of MySwimmingTimes)
