

CHANGE NOTICE !!!!!

Due to an overwhelming response to the meet we have been forced to make some changes to avoid cutting any events or swimmers from the meet. With some guidance from the meet referee, here are the changes:

The Morning Session will remain the same as originally stated.

Warm-ups from 7:30am to 8:25am, with the meet beginning at 8:30am
The Morning Session is Pre-Seeded.

We have added a Mid Session which includes the 500 frees and 400 IM's.

Events 47 & 48, 500 Frees followed by Events 23 & 24, 400 IMs

There will be NO FORMAL WARM UP PERIOD for the Mid Session!

Swimmers may warm-up in the warm down pool

POSITIVE CHECK-IN BY 10:30am, with the meet beginning at 11:00am

The Afternoon session will be moved a little later than originally stated.

Warm-ups from 1:30pm to 2:25pm, with the meet beginning at 2:30pm
The Afternoon Session is Pre-Seeded.

We are sorry for any inconvenience this may have caused. With the 4 hour session limit rule and the best interest of our swimmers in mind, these changes had to be made.

Please be certain to inform your swimmers and coaches of these changes.
