

2010 Starfish Trophy Invitational  
January 8 – 10, 2010 – RPI, Robison Pool

Due to an overwhelming response to our meet, the following changes have had to be made to the Saturday and Sunday morning sessions only.

Saturday a.m. – Session 2

ALL RELAYS have been cut for this session, events 43-46.

Sunday a.m. – Session 5

ALL 100 BACKSTROKE events and ALL RELAYS have been cut for this session, events 91-98.

Taking into consideration elimination of the 100 back event for the 9/10 and 11/12 age groups, we will base the high point winners for these two age groups on a maximum of 9 events. We will manually exclude the lowest scoring event for the high point tally for the few swimmers in these two age groups that still swim in 10 events.

We will not be allowing swimmers who were cut from the Backstroke events to enter another event due to time constraints.

We are sorry for any inconvenience this may have caused your teams and athletes. In order to stay within the 4 hour session limit rule, these changes had to be made.

Please advise all swimmers and coaches of these changes.

Thank you for your understanding,
