Entries must be submitted electronically, using Hy-Tek or compatible Software.

Entries may be mailed on CD or Floppy Disk or via e-mail to: jnelson14@nycap.rr.com

Team entries must be received by February 4th, 2011

There is no limit on the number of swimmers per event per competing league team, except as determined by each individual swimmer's ability to meet the qualification time for each event. There will be a limit of three relay teams per relay event per competing league team. Swimmers may swim in 3 individual events plus 2 relays. Swimmers may swim-up in age group in any or all events entered. The meet will be governed by the current Technical Rules and Regulations for USA Swimming. All coaches are responsible for making certain that swimmers and parents understand the entry requirements for the meet.

February 4th is the final due date for entries. Teams will be e-mailed back their entries for verification. Please respond as soon as possible that they are correct. Be certain to provide email addresses with entries in order to receive verification of receipt.

All entries must be slower than the listed qualifying times. Swimmers who have achieved faster than the cutoff times listed in this invitation may not participate in that particular event. If an athlete achieves a time faster than the cutoff time after their entries have been submitted they must withdraw from that event at the meet. We ask that you inform your swimmers of this rule and ask them to fully cooperate with the club officials and marshals in charge of the area.

We will develop a warm up schedule once all the entries are in. Warm up schedule will be emailed to all teams participating.

Swimming Events: All events will be swum as timed finals. All events will be pre-seeded, slowest to fastest in order of entry time.
"No Time" entries will not be accepted.
