Check in Rules:

There will be NO POSITIVE CHECK-IN utilized for this meet. It is the responsibility of each coach to have their swimmers accounted for and available for events. It is the responsibility of each swimmer to report to the seeding area at the time events are called. Meet marshals will be available to assist the younger children to their proper lanes in the morning session.

Warm-Ups:

Because of the large number of injuries occurring across the country during warm-ups, USA Swimming allows no diving into the pool during the warm-up period except in the designated sprint lanes. We ask that you inform your swimmers of this rule and ask them to fully cooperate with the club officials and marshals in charge of the area.

A warm up schedule will be provided to each club at least one week before the meet date.

Swimming Events:

All events will be swum as timed finals. Please submit the competition or trial times for seeding. All events will be pre-seeded, slowest to fastest in order of entry time. **"No Time" entries will not be accepted.**

Timers:

Clubs will be required to provide Timers for the swim meet. The organizing team will make timing assignments. The lanes assignments will be posted outside the official's room and throughout the meet facility. A copy will be displayed in the program. Please report to the chief timer on deck 15 minutes prior to your timing assignments.

An officials' meeting will be conducted prior to the start of each session. Officials are to report to the designated officials room and sign-in upon their arrival at the Union facility. Proper official attire is required.
