Swimmers who do not check-in by the deadlines listed in the timetable above will be scratched. All trials and finals events and will be pre-seeded.

Special considerations for distance events:

The 9-10 and 11-12 500 Freestyle: All heats will be swum during Session 1. The heats will be swum fastest to slowest, alternating 9-10 girls' and 9-10 boys' heats, then alternating 11-12 girls' and 11-12 boys' heats, and the last heat may be combined.

The 1650 Freestyle: For seeding purposes, the 13-14's and Senior events will be combined. The heats will be swum fastest to slowest, starting with the fastest heat of girls, followed by the fastest heat of boys, then alternating girls' and boys' heats, and the last heat may be combined. All heats will be swum during Session 1.

The fastest heat of the 11-12 200 Breaststroke, 200 Backstroke and 200 Butterfly and 13-14 and Senior 500 Free and 400IM, will be swum at finals.

Relays:

All Relays are timed finals and will be swum during prelims.

Finals and Consolations:

Those events that have trials will have finals and consolation finals conducted during the finals session. The top sixteen swimmers of each age group will qualify, the top 8 swimming finals, the next 8 swimming consolation finals.

Scratches:

Positive check-in for timed final events is located at the program sales table as you enter the building. Heat sheets will be posted for all events that are deck seeded.

Swimmers who positively check in for a timed final event and do not show up for the event, will be disqualified from that event and their next scheduled event. **This scratch rule includes 8 &unders and 9-10 athletes.**

Swimmers who qualify for finals or consolation finals and want to scratch a final event must inform the announcer within 30 minutes of the announcement of the trial results for that event.

Failure to notify the announcer so that an alternate can be called will result in the swimmer being disqualified for the remainder of the meet.

We ask that you inform your swimmers of this rule and ask them to fully cooperate with the club officials and marshalls in charge of the area. **After entries are in, a complete and detailed warm-up schedule will be posted to the Adirondack Swimming web site.**

Swimmers must have participated in at least two (2) AD Sanctioned Meets, in the Current SC Season to qualify.

Current Season is September 1st through last AD Sanctioned Meet Prior to Silver Championships.

Qualifying times must have been achieved from January 1, of the previous Short Course Season through Silver Championships.

Observed or Approved Meets May NOT be Used to Fulfill the Minimum Meet Requirement to attend AD Championship Meets. However, All Times (in SWIMS) from these meets are used for entry qualification.

A swimmer entering an event in Silver Championships must use his/her **Best Recorded Yards Time in SWIMS**, for the time period of **Jan 1st of last years' SC season to Date**, as the entry time.

Requirements for Golds - If a swimmer is to participate in the Adirondack Gold SC Championships, he or she must have competed in at least two (2) AD Sanctioned meets in the current SC Season, prior to Silver Championships. Coach estimated entry times are NO Longer allowed for entry to Silvers.

Large Team/Small Team Criteria - Large Teams will be any AD Team with 75 or more Registered Athletes, Small Teams will be any AD Team with less than 75 Registered Athletes. This is Registered to USA Swimming and has no bearing on the number of swimmers entered in the championship meets by each team.

Exceptions will be made in the following circumstances;

1. If a swimmer has transferred to AD from another LSC, at a time where it was too late to be entered in the required number of meets to qualify. This will apply to swimmers who **HAVE MOVED** to our LSC where a change of home address has been made. **The transfer must have been completed by the AD LSC Registrar at least 30 days in advance of the meet.**
2. If a swimmer has had a prolonged medical condition which has not allowed him or her to swim until a time where it was too late to be entered in the required number of meets to qualify. **The swimmers coach MUST notify the Meet Director and Meet Referee, by mail or email, at least 30 days in advance of the meet.**
3. If a swimmer ages up between Silvers and Golds and he or she is too fast for Silvers at the younger age group and too slow for Golds at the older age group, the swimmer may swim in Golds, at the older age group, without having the Gold cut times. Swimmer must enter the meet using actual achieved times and the meet host will allow the times as exceptions if they are too slow for the cutoffs.

Final Approval of ALL Exceptions will be by joint decision of the Meet Referee and Meet Director.
