It is the responsibility of each swimmer to report to the seeding area at the time events are called. ### **Warm-Ups:**

Because of the large number of injuries occurring across the country during warm-ups, USA Swimming allows no diving into the pool during the warm-up period except in the designated sprint lanes. We ask that you inform your swimmers of this rule and ask them to fully cooperate with the club officials and marshals in charge of the area.

A warm up schedule will be provided to each club at least one week before the meet date.

### **Swimming Events:**

All events will be swum as timed finals. Please submit the competition or trial times for seeding. All events will be pre-seeded, slowest to fastest in order of entry time.

### **Timers:**

Clubs will be required to provide Timers for the swim meet. The organizing team will make timing assignments. The lanes assignments will be posted outside the official's room and throughout the meet facility. A copy will be displayed in the program. Please report to the chief timer on deck 15 minutes prior to your timing assignments.

### **Meet Policy:**

**Use of Audio or Visual Recording Devices, Including a Cell Phone, is not permitted in changing areas, rest rooms or locker rooms.
