Entry Rules:

The eligibility of a swimmer will be determined by his or her age on December 7, 2019. Rules from the current USA Swimming Technical and Administrative Rules will be in effect. Entries must be submitted electronically, using Hy-Tek, Team Unify or compatible Software and emailed to jjock@goTRIBS.org. Team entries must be received by **Tuesday, November 26, 2019. Custom times are preferable over NT entries.** Please be certain you receive a reply confirming receipt of your entries; follow up if you do NOT receive a reply.

The host team reserves the right to enter its own swimmers in the meet at any time. If the meet is oversubscribed or undersubscribed, Meet and/or Session Start Times may need to be changed. In the event the meet is oversubscribed, the Meet Director and Meet Referee will work together to determine how entries are removed, with the best interest of the swimmers in mind. **Attending teams will be notified of any changes via email and all changes will be posted to the AD Web Site.** Any fees paid for cut entries will be refunded. If you have any questions or need any help please contact Joshua Jock at (518) 524-1295.

This meet will have 5 Sessions. In a timed finals meet, such as this, a swimmer may compete in not more than six (6) individual events per day. There will be positive check in for ALL sessions. Mixed Gender Relays must consist of two (2) males and two (2) females. Swimmers in Session 3 must be entered with a time that is faster than the cut-off time. Warm-up for Session 2, 3 and 5 will follow directly after the conclusion of their previous session, starting no later than the times listed above.

Events will be scored by the Hy-Tek Age Group Point System to determine High-Point Age Group Winners.

202.3.2 At a sanctioned competitive event, USA Swimming athlete members must be under the supervision of a USA Swimming member coach during warm-up, competition, and warm-down. The Meet Director or Meet Referee may assist the swimmer in making arrangements for such supervision, but it is the swimmer's responsibility to make such arrangements prior to the start of the meet.

202.3.4A Any swimmer entered in the meet must be certified by a USA Swimming member-coach as being proficient in performing a racing start or must start each race from within the water without the use of the backstroke ledge. When unaccompanied by a member-coach, it is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement

USA Swimming Registration:

No swimmer will be permitted to compete unless the swimmer is a member as provided in Article 302

Registrations may be obtained from your club registrar. All Adirondack Meets are reconciled for current USA Swimming Registration.

Unregistered swimmers will be removed from the meet and a \$25.00 Fine Imposed. ([Click Here for More Information](#))

Any swimmer not checked in by the Positive Check-in Deadline will be scratched. All events will be swum as timed finals. Fly-over starts will be in use; please inform your swimmers prior to the meet. **8 & Under swimmers are to line up in the bull pen area for 25 yard events only.**

The starting blocks are on a narrow bulkhead therefor bulkhead traffic is one-way. Swimmers will line up in heats on one side of the bulkhead and exit in the direction of the starter.
