

The following is a template you **MUST** follow when preparing Meet Announcements in Adirondack. USA Swimming sets the policy for the information required in meet announcements and each LSC may add their own additional requirements.

This template is up to date as of November 2023

All Information in BLACK is REQUIRED by USA SWIMMING and/or Adirondack Swimming, AS IS.

Do not alter, rearrange or omit required information as your announcement will not be accepted and you will not receive a sanction until the announcement complies with USA Swimming Rules and AD policies and standards.

Unless an item states “Optional”, All Information in RED is REQUIRED information pertinent to the meet. This must be filled in based on the specific information of your meet, team, etc. Some items are optional, based on meet terms.

If your club plans to charge a spectator fee, that information, including all fee details, must be included in the original announcement.

The oversubscription policy shown in green is a general suggestion which can work at all meets. It gives some latitude to the host and referee to decide which events can be cut with minimal impact on swimmers.

Host teams may select other terms to handle oversubscription, such as close out entries when the meet or a session is full or return entries on a last team in first team out basis.

Be sure to remember, what your team selects and publishes on the meet announcement **MUST** be adhered to. You cannot change terms after the announcement is published.

Please – Do not use Headers/Footers as they add pages to the file. Enlarging the font size also adds pages to the document. Too many pages don't get read.
