Instructions for Non Athlete Registration

1. NEW means NEVER REGISTERED WITH USA SWIMMING as any type of member.
2. RENEW means YOU WERE REGISTERED IN A PAST SEASON (within the last 12 years) as Any Type of Member. (Coach that used to be an Athlete 2 years ago is RENEW).
3. LEGAL NAME IS REQUIRED, this is the name that appears on your Birth Certificate, including your Middle Initial. Preferred Name field is used for Nicknames...
4. All information is Required with exception of Work Phone and Fax.
5. Be certain to CIRCLE ALL THAT APPLY in the Type Section.
6. Coaches MUST Provide a copy of All Current Certifications WITH This Application. Coaches cannot be registered unless all Certifications and the Background Screen are current.
Coaches are required to have current CPR for Professional Rescuer or the equivalent. Most CPR courses are effective for one (1) year. There are a few AHA CPR courses which are effective 2 years. *In NY State, if the coach is a Lifeguard, the requirement is that CPR must be renewed annually, regardless of what the cert says.*
Standard First Aid or the equivalent is required and is effective for three (3) years and must then be renewed.
Coaches Safety Training or Lifeguarding (provided by Red Cross or an equivalent recognized provider) is also required.
Lifeguarding or Coaches Safety Training is effective for three (3) years and must then be renewed.
In our area, Red Cross Lifeguarding most always includes the Standard First Aid course.

Effective January 29, 2007, a coach can NOT be registered unless he/she has a COMPLETED Background Screen. The process is outlined on the Coaches Page of the AD Web Site. The screen process can take from 7 to 14 days to complete so please plan accordingly. It is Recommended (not required) that when a Background Screen is initiated, a copy of the confirmation email be sent to the LSC registrar. If your screen is not complete within 21 days, YOU (the coach) must follow up with the screening company. USA Swimming and the AD Registrar may not assist you in this process.

Important! Coaches, if ANY of your certs expire, you are NO LONGER RECOGNIZED AS A COACH by USA SWIMMING. You may NOT be on deck in ANY COACHING CAPACITY. You have NO USA SWIMMING INSURANCE while acting in any coaching capacity.

7. Coaches who were new to USA Swimming in the previous season MUST successfully complete the "Foundations of Coaching Test" (this replaces the old Level 1 Coaches Exam) before your renewal application can be processed. See "Coaches" link on the AD Web Site. This test must be taken on line through the USA Swimming Web Site.

Very Important! Coaches, be certain to check the USA Swimming list of equivalent courses. A copy can be obtained from the Adirondack Swimming web site under the "Coaches" link on the left of the main page. Some coaches have submitted certifications that are not recognized by USA Swimming. For example, some courses are accepted by the Health Department as proper for lifeguarding, but USA Swimming does not recognize the specific course. This may cause a coach to have to re-take a class. We are to accept Only those certification courses indicated by USA Swimming, on their list of acceptable equivalents, for coach certification.

Please Note! Once this registration has been successfully entered to the USA Swimming Database, SWIMS, Adirondack Swimming is Billed for the Registration. USA Swimming will NOT Issue Refunds Under Any Circumstance.
