

Hi, my name is Trent Suchowiecki. I have been a part of the Hawks swimming association since I was 6 years old and am currently swimming my first year on the New Paltz varsity team as a sophomore. When I was twelve I gave up swimming for basketball, at the time I believed it was the right decision, but as time went on I realized I miss the community which shaped the person who I am today.

I have lots of experience as a public speaker and have the confidence to speak up when needed. In my high school I am the vice president of my class, as well as being a part of several clubs such as student government, and my school's newspaper.

If I were to be chosen as an Adirondack junior representative, I would listen to the community around me and be a voice for my fellow swimmers. Even though I might be tall, (6 '5) I want everyone to know I am very approachable and am always wanting to meet new people and hear your thoughts, everyone's voice matters!

Thank you for reading and I hope you consider me to be an 2026 Adirondack junior representative!
